

Position: Full-Time Physical Therapist

Practice Setting: Private Outpatient Orthopedic Clinic

Education Requirement: Doctorate of Physical Therapy

Minimum Experience: 0-1 year

Salary: \$80,000 – \$100,000 based on experience

The Difference with Summit Physical Therapy, Inc.

Are you looking for a clinic where you can spend more one-on-one time with your patients to provide the best clinical care available? Are you looking to work with a dynamic team of DPT level, evidenced-based practitioners to facilitate your own personal growth and development? Are you looking for a job that offers competitive salaries, bonus and incentive programs, career advancement, and continuing education opportunities to be the best physical therapist you can be, all while living oceanside with scenic glacier views?

Are YOU the next teammate for Summit Physical Therapy, Inc.?

Summit Physical Therapy, Inc., winner of WebPT's Innovator of the Year award for 2019, is looking for a compassionate, outgoing physical therapist to join our team in beautiful Homer, Alaska! Summit Physical Therapy, Inc. is a private, outpatient orthopedic clinic opened in June of 2018 with amazing success, boasting an 8-therapist team of dynamic clinicians including DPT therapists, PTA, LMT, and soon to include OT. Our therapists' passion is coming alongside our patients to help them achieve their peak performance and summit their own mountains. Becoming a teammate of Summit Physical Therapy, Inc. means joining a team of caring, compassionate individuals who live out their personal values by lifting each other up, promoting self and professional growth, and encouraging the development of your unique talents.

Competitive Hiring Package

We offer a competitive hiring package including individual/family medical coverage, participation in our company's 401K, significant continuing education packages (average of \$1,750 annually), new grad

mentorship, incentive programs, annual commission based on percentage of individual revenue, company excursions, flexible work schedules, and coverage of memberships, licenses, and personal liability insurance. We also offer opt-in benefits of short-term disability coverage, Vision/Dental insurance, as well as various other policies with Aflac. Appointments are scheduled every 30 to 60 minutes to allow one-on-one clinical time with therapist and patient.

Responsibilities:

- Provide high quality care in an outpatient orthopedic setting
- Evaluate, design plans of care, and carry out treatment for patients of all age ranges
- Establish appropriate plans of care to meet functional and measurable goals relevant to the patient's individual needs, as mutually decided upon by therapist and client
- Professionally and appropriately manage Physical Therapist Assistants and Physical Therapist Technicians, as well as work cohesively with the therapist team
- Provide patient, family, and staff education to provide appropriate care to the client and achieve mutually agreed upon physical therapy goals

Requirements:

- Must be a licensed Physical Therapist from an accredited university, and maintain an active AK state license before beginning employment
- Prefer a therapist with experience in outpatient orthopedics, pediatrics, and neuro rehabilitation
- Be a kind, compassionate, and professional employee who can work and communicate effectively with all staff members, therapists and patients.
- Be able to work a full-time, 40 hour/week job
